

Chicago's Spa32® North Shore Center For Cosmetic Dentistry Ltd.

Today's highly trained dental professionals use state-of-the-art procedures and techniques to help their patients retain or regain the appearance and function of their teeth for life.

Chicago's Spa32® and **North Shore Center For Cosmetic Dentistry** offer this high level of dentistry to their patients while

remaining sensitive to their concerns in a gentle and professional environment. At **Chicago's Spa32®**, you will be treated to the

ultimate in dentistry. They incorporate the latest technologies in dentistry including digital radiography, bubble jet gum massage

treatment, comfortable chairs, veneers, implants and complete smile makeovers that are nothing short of amazing! They also offer

cosmetic and general dentistry, oral and maxillofacial surgery, periodontics and implantology.

The offices maintain a pleasant atmosphere, and the knowledgeable staffs pride themselves at making clients feel comfortable.

Patients can be assured that the doctors and staff meet all of the strictest infection control standards and they keep up with

the newest dental procedures through continuing education courses. We are reminded that an attractive smile is one of the best

assets an individual can possess. Additionally, good dental hygiene helps to prevent gum disease, bad breath and cavities.
